

McCRORY ENGINEERING

MCM-40
MOBILE CONCRETE BATCHING PLANT

MCM-40

The mobile self-erecting solution for all your concrete needs.

JUST SOME OF THE BENEFITS OF MOBILE BATCHING

- Batch your concrete where you want to use it.
- Batch directly into concrete pump, dumper or readymix truck.
- No waste, only batch what you need.
- No more waiting for readymix trucks, it's there when you need it.
- When the job's finished, move your plant to the next one.
- Spares through McCrory's
- All British standard / H&S

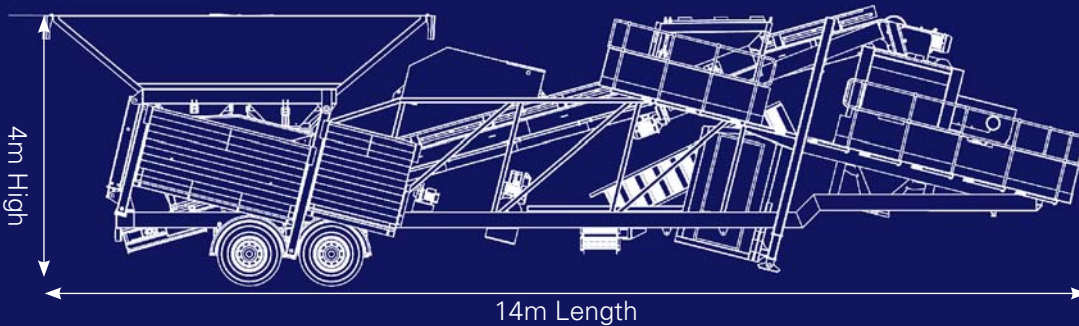

- **AGGREGATE STORAGE:** 4 No. compartments, Total Capacity 20m³
